### CONFIRMATION LETTER

Dear Dr. Svoboda, dear Vojtech,

With this letter, the FuseNet Association declares to reimburse Czech Technical University in Prague, with regard to the costs for the organization of a mini-workshop (in the framework of the Task Agreement between DIFFER and EUROfusion (AWP17-EDU-FuseNet, work package 7: Development of new educational activities).

The reimbursement of this mini-workshop, the GOLEM Training Course, will be based on actual expenses, to a maximum of € 6000, subject to the following conditions:

- This reimbursement will be done according the budget reallocation procedure, which means that CTU will report these costs to EUROfusion through the IFS of CTU (budget category: Other Direct Costs).
- CTU will inform FuseNet on the exact amount of reallocated costs.
- CTU will write a small report on the set-up and the results of the activity.
